

A cost-effective alternative for shipping bottles

Protecting your precious cargo during handling and transport is vital to your business. No damage, no breakage, plus packaging that you can rely upon. Test out the Precious Cargo Shipper* and see the difference our packaging has over traditional corrugated packaging.

- Strong and rigid
- Water resistant
- Simple assembly
- Easy to maintain
- Customizable

A green solution

The Precious Cargo Shipper is a sound environmental alternative to corrugated packaging. All Beaver Plastics products carry the recycling code for polystyrene and can be recycled at the appropriate facilities.

| Model Number | Description | Qty./Pallet | Per/Load |
|--------------|--------------------------------|-------------|----------|
| G10688 | 2 Pack Precious Cargo Shipper | 300 | 7800 |
| G10649 | 6 Pack Precious Cargo Shipper | 108 | 2808 |
| G10625 | 12 Pack Precious Cargo Shipper | 54 | 1404 |

*Precious Cargo Shippers are sold in pallet quantities. They are available as an insert or a kit, which includes insert in a corrugated box. (Corrugated box price is based on market value.)

Quality makes the difference

Since 1967 Beaver Plastics has been producing high-performance, engineered products from expanded polystyrene. Our products are used in the horticulture, silviculture, construction and packaging industries. Widely recognized as the quality leader in all our markets, Beaver Plastics was the first manufacturer of expanded polystyrene products in North America to achieve ISO9001 certification.

Beaver Plastics is the name you can trust when it comes to the handling and transport of precious cargo. The Beaver Plastics Precious Cargo Shipper is designed to provide superior protection. You will have the confidence that your cargo will arrive in perfect condition.
